Welcome to Nursery

We are looking forward to getting to know you all and working with you.
Everyone is preparing to provide the very best care and learning experiences for your child.
Our children are at the heart of everything that we do, we hope to ignite their natural curiosity and imagination, encourage them to think for themselves, make their own choices, and direct their own learning.
Get ready for a great adventure!

Welly Wednesday

In nursery, we love to be outdoors, learning, exploring and having fun. On Wednesdays, we will be spending time in our new Nursery Forest and out on the field. Beware, on these days your child may come home a little muddier than usual!

If you have not already done so, please sign up to class dojo. It's a great way to keep in touch with all the fun things your child will be getting up to whilst at nursery. We can also send messages directly to you and you can send messages directly to the nursery team.

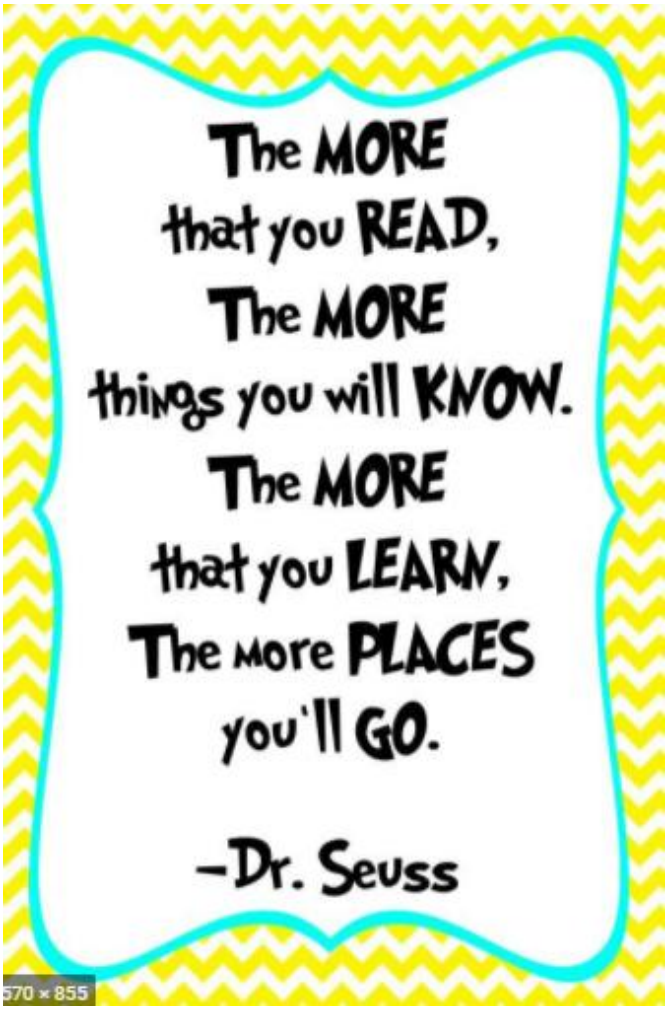

We plan to have a campfire each half term. This is a great memorable experience for our children. They will get to toast marshmallows, make toast and hot chocolate, yummy!
Check out dojo and web site for lots of pictures!

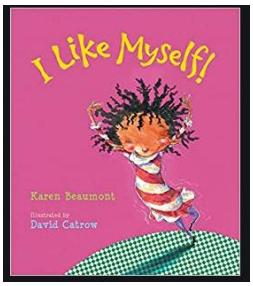

Books, books and more books

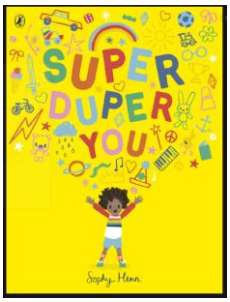

We just love to read books in nursery. Everything we do starts with a book. We dive right in and have a great adventure, learning as we go.

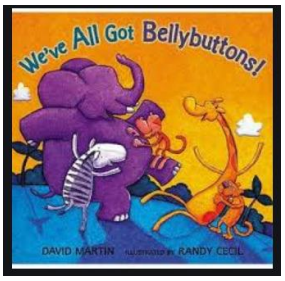

We have our very own library in Nursery and your child will be able to take books home each week to enjoy with you!

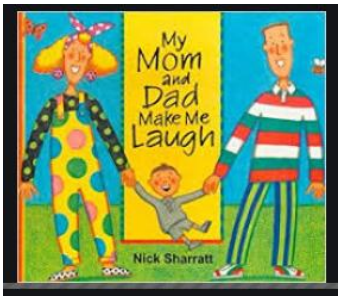

These are some of the books we will be sharing this half term:

Websites worth a look:

oxbridge baby

A great website with lots of traditional stories and songs!

https://www.youtube.com/user/oxbridgebaby?app=desktop

And another one:

BBC songs and rhymes

Lots of songs to learn and sing together:
