

# Dilemmas

\* You receive an email containing an upsetting image.

**What would you do?**

\* You receive a message saying something mean about someone you know.

**What would you do?**

\* You click on something by accident and it won't go away. You're worried that you may get in trouble. **What do you do?**

\* You receive a friend request from a friend of your cousin, who they talk about a lot, but you've not met. **What would you do?**

\* You have been chatting to someone in an online game for some time but now they want to know your real name and where you go to school. **What would you do?**

\* You attend a class party and lots of photos are taken. You've seen some of them online and you don't want them to be there. **What would you do?**

\* You are playing an online game and a pop up appears. It tells you that you have won a holiday. All you must do is click on it.

**What would you do?**

\* Your brother is visiting websites that are far too old for him. Your parents don't know that he is doing this. **What would you do?**

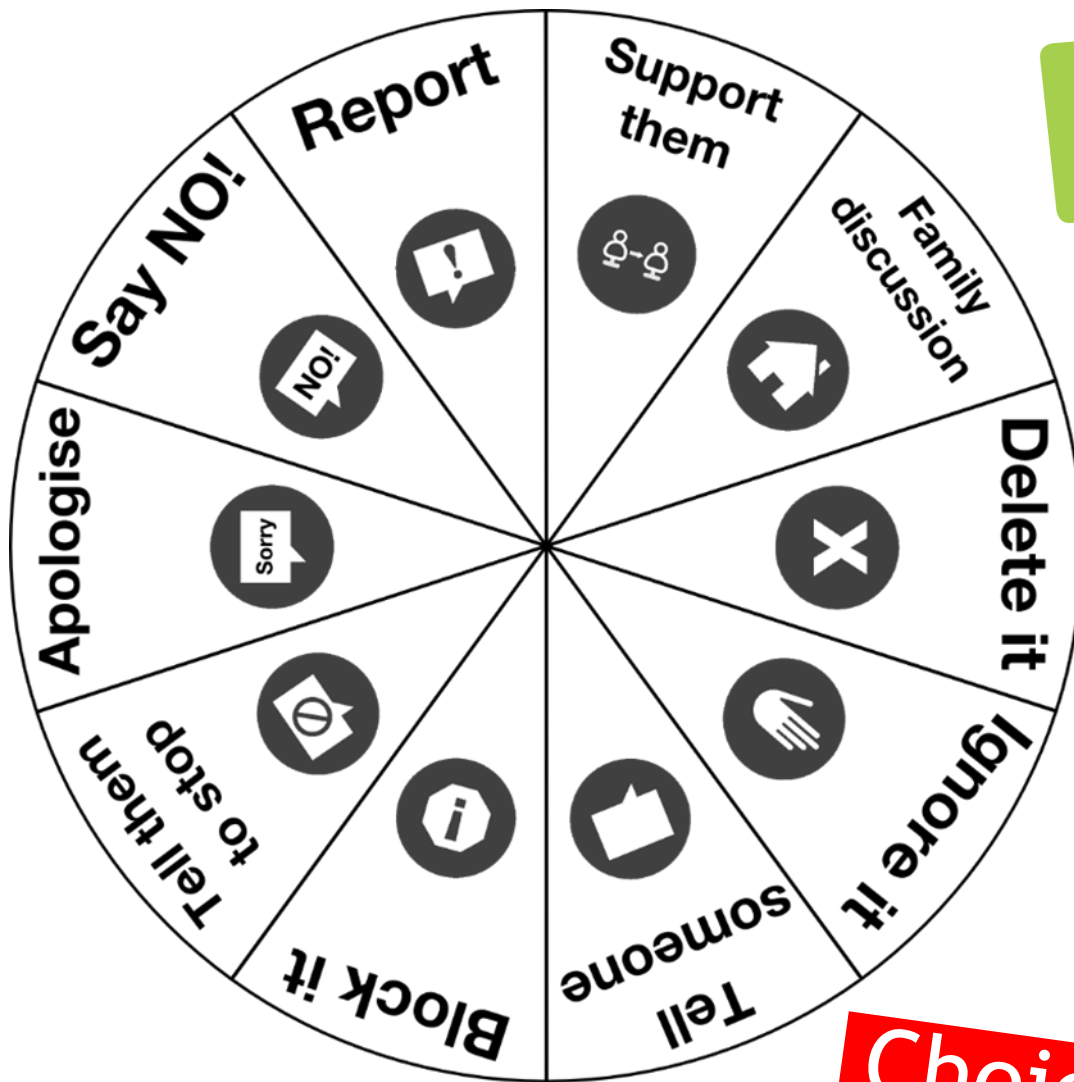

\* Your best friend tells you about a site that allows you to download free music.

**What would you do?**

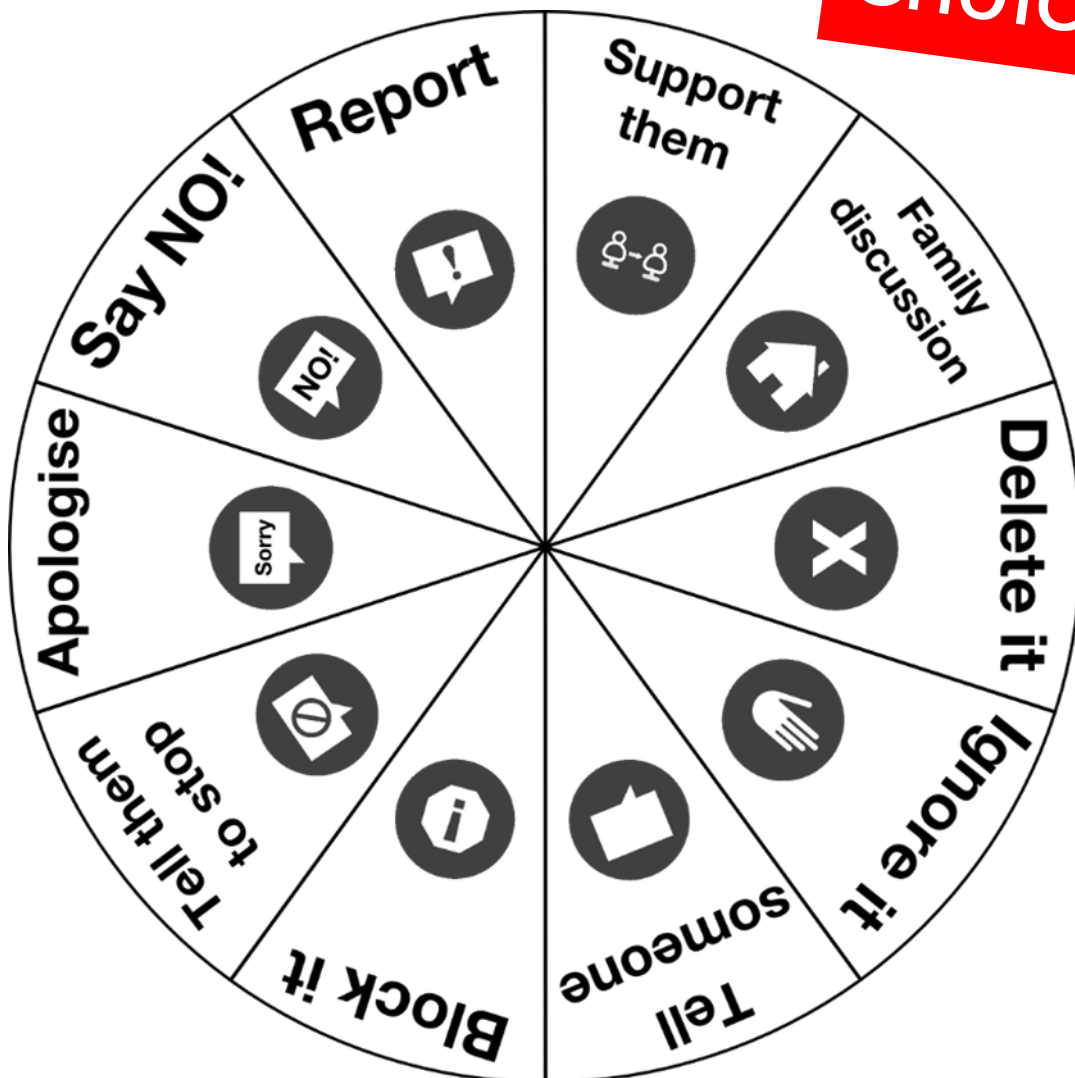

\* Your friend gives you a link to a website they used for facts for this week's homework. You look at it but some of the facts sound a bit strange. **What would you do?**

\* Your friends are talking to strangers in a multi-player online game. They want you to join in too. You're unsure if it's safe to do it. **What would you do?**
