

Happy Autumn Everyone

Welcome back! We hope you have all enjoyed your break. We are very pleased with the way the nursery children have settled into school life and we would like to thank you for all your support with this.

Christmas crafts.

Our parent event for this half term will take place on Thursday 11th December.

We would love it if you could come and join us. Lots of glitter and glue and some lovely songs at the end. Due to space, we can only squeeze in one adult per child!

Computing Corner

Ladybird Spots

Ladybird Spots includes counting, matching and ordering numbers games, which can help with learning to count and recognising numbers up to 10. Designed to offer differing levels of difficulty these fun games, all with a ladybird theme.

Why not try this one at home?

On your way home from Nursery collect some of the wonderful Autumn leaves from the ground. See what pictures you can make with them once you get home. If you need glue or paper please just ask, we are great at sharing!

Our theme this half term is celebration, whether this is a birthday, celebrations such as bonfire night, Diwali, Christmas or just the joy of doing something for the first time. Check out dojo and the website for lots of videos and pictures of the fun things we get up to!

Visits to the library

We have three visits booked. Check out dojo for further information.

Bedtime story night with lovely hot chocolate

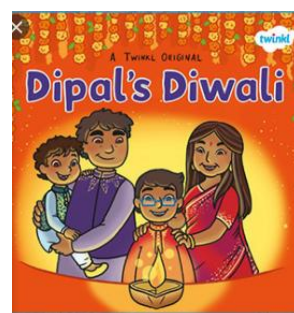

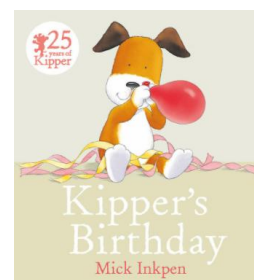

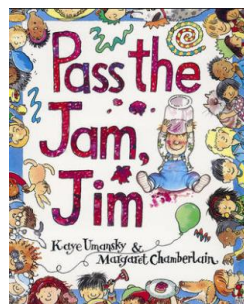

This will take place on Thursday 27th November

Nursery Visit

Our North pole experience will take place on Thursday 4th December

These are some of the books we will be sharing this half term:

Websites worth a look:

Lots of great ideas to help develop speaking and listening skills.
