

Welcome Back Everyone!

This planet is our one
and only home. We
have no other choice
– we must care for it.

DATE FOR YOUR DIARY PIZZA NIGHT

As you know, we love a get together in
nursery.

This half term we plan to have an outdoor
pizza night. Yummy!

Vegetarian option available!

This will be on Monday 18th May

Cost: £4.00

Look out for an invite nearer the time!

Why not try this one at home?

Why not try and make your very own octopus?

If you need any paint or googly eyes just ask a
nursery adult when you next see them. We have lots
and are great at sharing - even paint, which we put
in little pots just for you!

Our theme this half term is called 'Our World'. We will be thinking about different environments such as the oceans, the artic and jungles. We will be finding out about the animals that live there and how we can do our part to look after these special places.

As always, please check out the Nursery page on the school website. It's packed full of pictures, videos and top tips!

Our Planet

WHERE IN THE WORLD?

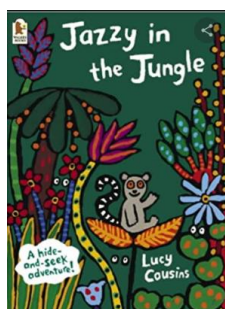

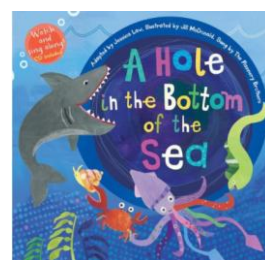

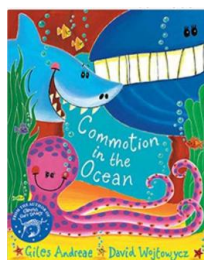

Stories about the everyday lives of children in countries around the world.

www.bbc.co.uk/programmes/b08t17zs

Check out Cbeebies for some great shows all about our planet!

This term we are all about understanding our world.

These are some of the books we will be sharing this half term:

Computing Corner

Underwater Counting is an interactive counting game involving counting the number of objects to 10. The game takes the form of a treasure hunt where you are challenged to find the treasure by achieving ten correct answers.

Give it a go!
